

Følg nedestående vejledning for at rette tid og dato på Android

---

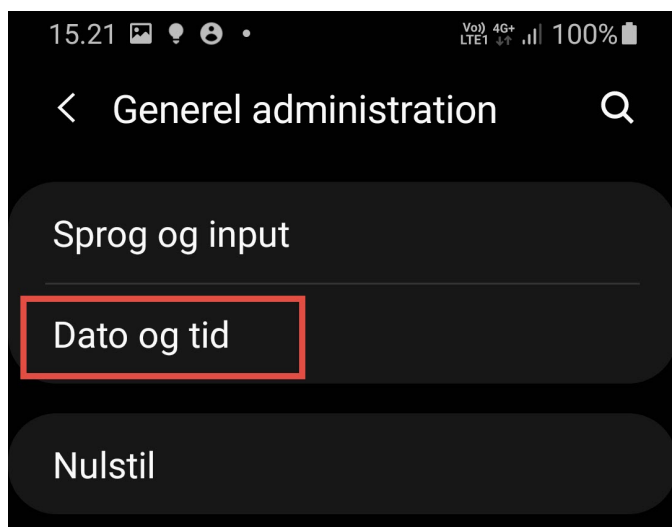

1) Find og åben **Indstillinger**.

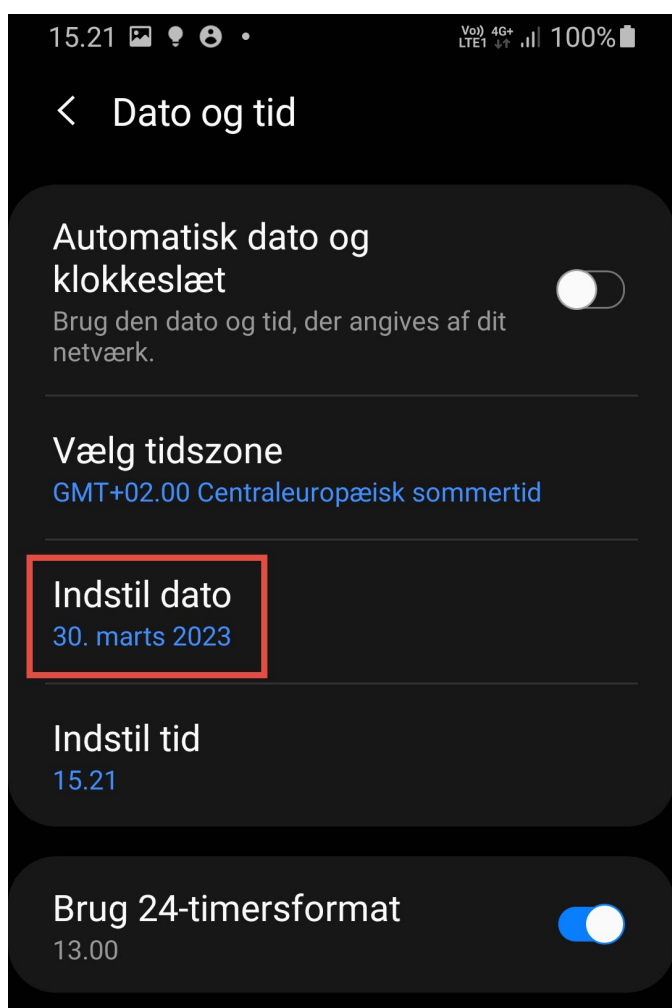

2) Vælg **Generel administration**.

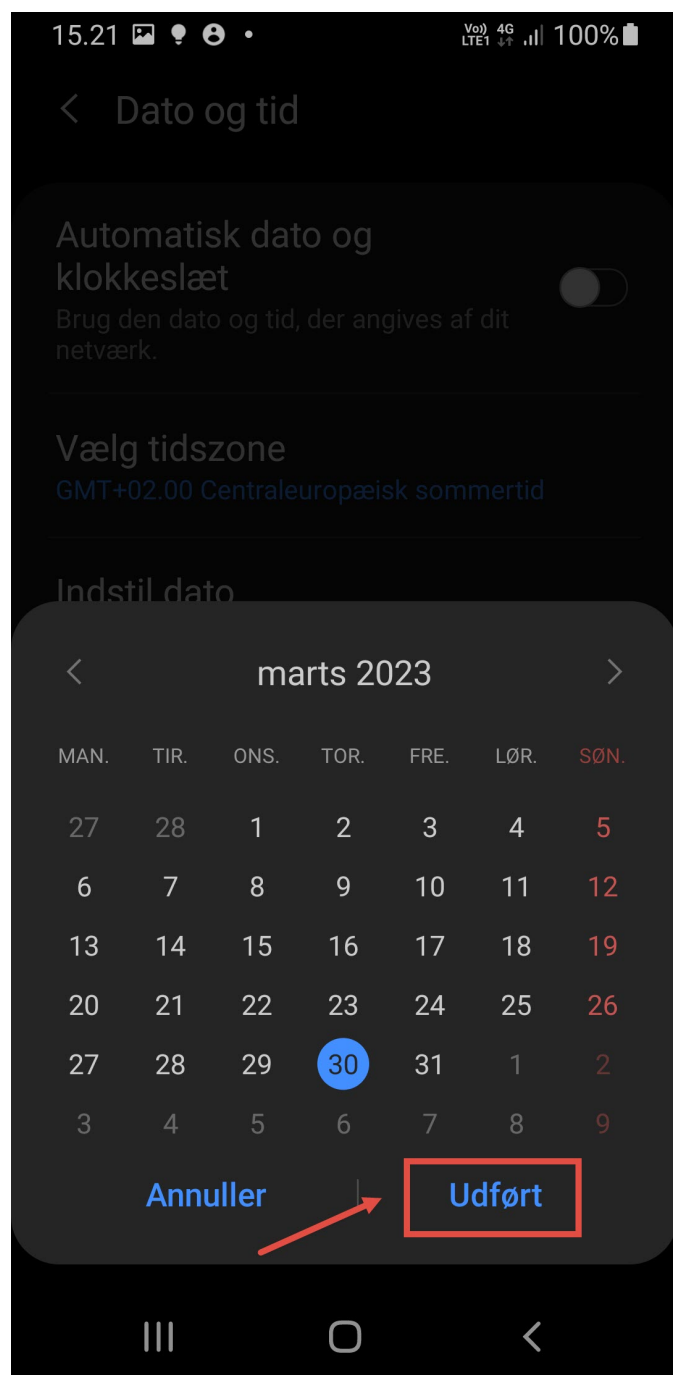

3) Vælg **Dato og tid**.

4) Vælg **Indstil dato.**

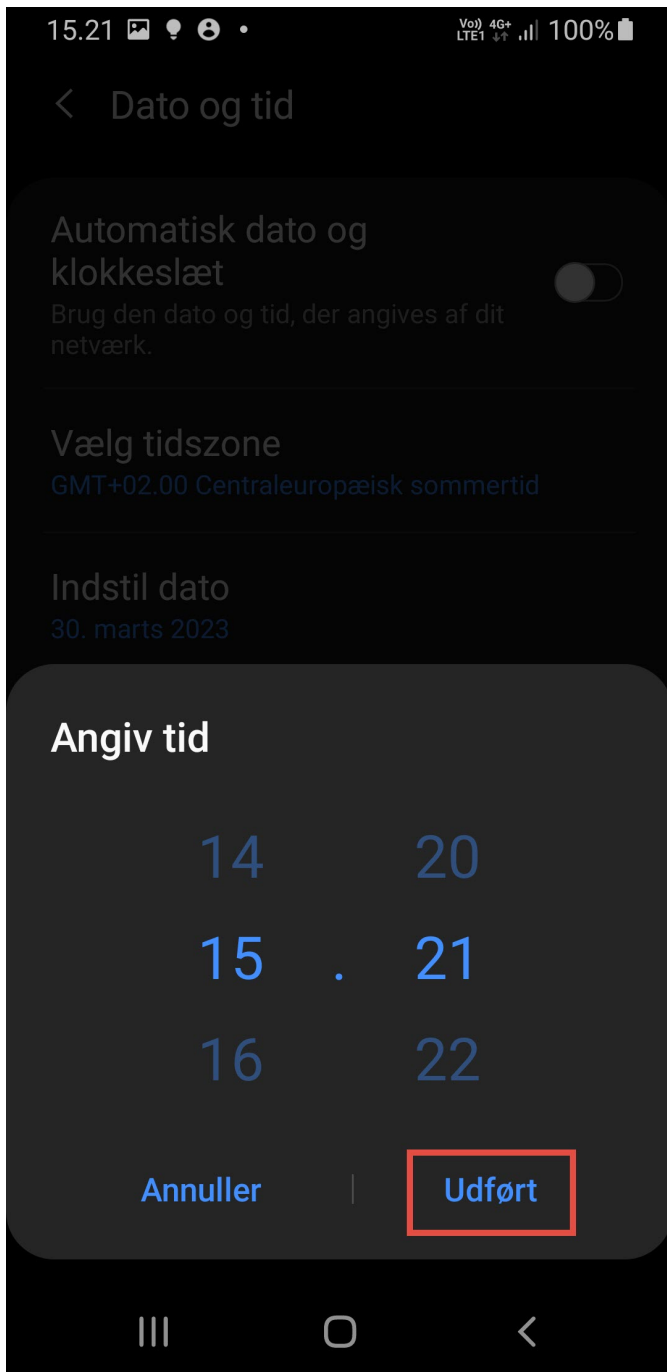

5) Vælg den rette dato og tryk **Udført**.

6) Vælg **Indstil tid**.

7) Angiv tiden og tryk på **Udført**.

Tid og dato er nu rettet.
